How to Be an Effective Expert Witness

June 2-4, 2021 (Live via Zoom)

Executive Summary: **The #1 way to grow an expert witness practice is to build the reputation of being an effective witness.** This is a hands-on, fast-moving interactive workshop covering deposition, direct examination, and cross-examination skills. Attendees will learn how to become markedly more effective and significantly more valuable expert witnesses. Instruction will utilize four methods: lecture, questions & answers, videos of experts actually testifying in real cases, and mock trial demonstrations using student volunteers. The mock trial demonstrations are based upon a C.V. and sample report submitted in advance by volunteer attendees. Attendees will have an opportunity to participate in demonstrations and to receive constructive feedback as to how to improve their performance. In addition, each attendee will be provided with a content rich seminar manual. **This is SEAK's most popular testifying training seminar.**

Learning Objectives: At the conclusion of this workshop, you should be able to:

- Discuss the strategies and goals of opposing counsel at deposition and during cross-examination
- Describe how to properly prepare for deposition and trial
- Explain opposing counsel's deposition and cross-examination tactics and how to defeat each tactic
- Discuss methods for responding to trick and difficult questions at deposition and trial
- List teaching methods that can be used to improve the persuasiveness of your expert testimony
- List techniques for developing powerful, memorable language and analogies
- Describe how to best insulate yourself from attacks by opposing counsel

How to Write a Bulletproof Expert Witness Report

DAY 1 – WEDNESDAY, JUNE 9, 2021 (Live via Zoom)

12:00–12:30 PM EST Introduction

Attendees will introduce themselves to the group. Faculty will explain the reasons why a well drafted report is critically important as a roadmap to direct testimony, talking points on cross, to help you to prepare to testify, and to enhance your brand. Faculty will explain the six major methodologies that will be used to teach the program, namely: lecture, questions and answers, analysis of well written report excerpts, report writing exercises, report critique exercises, and mock cross examination exercises. *Learning Objective: Explain the benefits of a well-written expert witness report. Questions & Answers.*

12:30–1:15 PM EST How to Protect Your Report, Yourself, and Your Opinions from *Daubert*, Qualifications, and other Admissibility Challenges

An inferior investigation or straying outside of your true area of expertise can lead to an indefensible written report. A poorly written report can lead to being excluded from testifying. Such an exclusion is often a career ending event. In this section, the faculty will explain how opposing counsel can and will use Rule 702, Rule 703, and the *Daubert* line of cases to attempt to limit or exclude the expert's testimony. The legal basis for each of these challenges will be explained in easy to understand terms. Attendees will be provided with 16 methods and techniques to protect themselves from admissibility challenges. *Learning Objective: Describe techniques to protect yourself from having your testimony limited or excluded. Questions & Answers.*

1:15–1:25 PM EST BREAK

1:25–2:25 PM EST How to Draft a Powerful, Persuasive, and Understandable Report

Every word in your expert report matters. In this segment the faculty will present twenty-two techniques for drafting a more powerful, persuasive and defensible expert witness report. Each of the techniques learned in this segment will be used in the segments that follow. *Learning Objective: Explain how to draft a more powerful report. Questions & Answers.*

2:25–3:25 PM EST How to Draft a Powerful, Persuasive, and Understandable Report (Continued)

Attendees will be asked to complete a series of writing exercises in which they will improve the language of sample report segments which they will be presented with. *Learning Objective: List action steps to draft more powerful, persuasive and understandable expert reports. Questions & Answers.*

3:25–3:35 PM EST BREAK

3:35–4:00 PM EST Report Templates and How to Format Your Expert Witness Report

Looks matter. A well laid out report will carry more weight than a report exhibiting poor formatting and style. In this section, faculty will discuss the importance of style, layout, and formatting and provide twenty-three easily implementable suggestions for making your expert witness report stand out. Samples from well formatted reports will be provided and studied. Attendees will be asked to critique and suggest formatting improvements to sample report segments. *Learning Objective: Describe methods for improving the style, layout, and formatting of your expert witness report. Questions & Answers.*

4:00–5:00 PM EST How to Document Your Assignment

Attendees will learn how to obtain a clear and unambiguous expert witness assignment from counsel (with the necessary documents) and why this will increase the likelihood of meeting and exceeding the expectations of counsel. Attendees will be provided with a checklist of eight questions to ask retaining counsel at the beginning of the engagement. Faculty will explain six best practices that can be used to document the scope of the assignment in your report. Attendees will be provided with sample assignment sections of reports, will be asked to critique assignment report sections, and will be asked to draft a concise assignment section. *Learning Objective: Describe techniques to utilize when obtaining and documenting your expert witness assignment. Questions & Answers.*

DAY 2 – THURSDAY, JUNE 10, 2021 (Live via Zoom)

12:00–1:00 PM EST How to Document Your Qualifications

Attendees will learn sixteen best practices for persuasively and accurately describing how and why they are qualified to opine on the case at hand. Sample expert witness report segments regarding qualifications will be reviewed. Attendees will be asked to critique the qualifications sections from several sample reports as well as draft a concise qualifications section to a report. *Learning Objective: List methods for most effectively documenting your qualifications. Questions & Answers.*

1:00–2:15 PM EST How to Best Describe Your Document Review, Research & Investigation

Many problems in expert reports are not caused by the drafting of the report per se. Instead, these problems are a reflection of suboptimal document review, research & investigation. Put simply, if the work prior to the expert report is flawed, it will make drafting a solid report difficult. In this segment, attendees will learn proven techniques for forming solid opinions which can be easily documented into a persuasive and defensible expert witness report. In addition, attendees will be provided with sixteen techniques for how to best document their review of documents, research and investigation. Sample report segments will be reviewed. Attendees will be asked to critique sample report segments as well as to draft a concise documents reviewed and research/investigation sections. *Learning Objective: List techniques to better document your document review, research and opinions. Questions & Answers.*

2:15–2:25 PM EST BREAK

2:25–3:15 PM EST How to Make Optimum Use of Charts, Graphs, Timelines, and Photographs in Your Expert Witness Report

A picture says a thousand words. In this segment the faculty will explain and demonstrate the advantages of adding charts, graphs, timelines and photographs to an expert witness report and provide eleven best practices suggestions for doing so. Sample reports segments with charts, graphs, timelines and photographs will be provided. Attendees will be asked to critique for possible improvement several report segments containing charts, graphs, timelines and photographs. *Learning Objective: Describe when and how charts, graphs, timelines and photographs should be used to improve an expert report. Questions & Answers.*

“Your class was exactly what I needed to advance my practice. The hot seat is the best place to learn. You are a fantastic teacher with great command of the material and the classroom.”

“Excellent examples, great feedback on reports, good job answering questions, spectacular job of keeping students involved.”

“Extremely well presented, very helpful for report writing.”

How to Write a Bulletproof Expert Witness Report

DAY 2 - THURSDAY, JUNE 10, 2021 (Live via Zoom)

3:15–3:50 PM EST How to Best Deal with Confounding Data and Studies and Alternate Explanations and Theories

Slam dunk opinions are few and far between. Almost every close case has facts, research or other items that undercuts the expert witness's opinions. Such information is ignored in a report at the expert witness's peril. In this segment, attendees will learn five techniques for how to properly document confounding information, alternative explanations and alternative theories in a way that puts this information into context. Sample report segments will be reviewed. Attendees will be asked to critique relevant report sections as well as to draft a concise report segment dealing with confounding data, studies, or alternative explanations and theories. *Learning Objective: List action steps to best document confounding data.* **Questions & Answers.**

3:50–4:00 PM EST BREAK

4:00–5:00 PM EST Properly Expressing Your Opinion

An expert witness is retained primarily for the purpose of giving an opinion or opinions. Opinions need to be expressed in an expert witness report clearly, confidently, and with supporting rationale. In this segment attendees will learn fourteen techniques for more persuasively stating opinions in their reports. Sample report segments will be reviewed. Attendees will be asked to critique relevant report sections as well as to draft a concise report segment in which they clearly and persuasively express their opinion(s). *Learning Objective: Discuss best practices for expressing opinions in expert witness reports.* **Questions & Answers.**

DAY 3 - FRIDAY, JUNE 11, 2021 (Live via Zoom)

12:00–12:45 PM EST How to Best Rebut The Opposing Expert's Opinion(s)

When an expert witness is aware of the opposing expert witness's opinions, these should be dealt with in the expert's report. In this segment attendees will learn nine techniques to persuasively document how and why the opposing expert's opinion is flawed. Sample report segments will be reviewed. Attendees will be asked to critique relevant report sections as well as to draft a concise report segment in which they rebut an opposing expert's opinion(s). *Learning Objective: List techniques for effectively rebutting the opposing expert's report.* **Questions & Answers.**

12:45–1:30 PM EST How to Properly Use Boilerplate, Standard Language, and Disclaimers

Most experts use standard boilerplate language and disclaimers in their expert witness report. In this segment the faculty will offer seven guidelines on the use and misuse of boilerplate language. Sample boilerplate language and sample disclaimers will be provided. Attendees will be asked to critique relevant report sections as well as to draft a concise report segment containing standardized verbiage. *Learning Objective: Identify boilerplate language and disclaimers to include in your expert report.* **Questions & Answers.**

1:30–2:00 PM EST Discovery, Ethics and The Influence of Retaining Counsel

Faculty will explain the various discovery rules which (depending upon the jurisdiction the case is in) may govern your communications with counsel and draft reports. Suggestions for how and when to communicate with retaining counsel will be provided. Also included will be eight suggestions for how to protect your credibility and deal with potential overreaching by retaining counsel. *Learning Objective: Describe best practices for communicating with and working with retaining counsel.* **Questions & Answers.**

2:00–2:10 PM EST BREAK

2:10–2:45 PM EST How to Excel When Drafting Rule 26 Reports for Federal Court

Federal Rule of Civil Procedure 26 governs what must be included in expert witness reports in federal cases. Following Rule 26 is mandatory. In this segment attendees will learn how to make sure their report complies with FRCP 26. Specific techniques to excel when drafting Rule 26 reports will be provided as well as sample Rule 26 report segments. *Learning Objective: List the legal requirements for Rule 26 reports and describe techniques for complying with these requirements.* **Questions & Answers.**

2:45–3:15 PM EST Quality Control & Editing Techniques for Expert Witness Reports

At best, mistakes in an expert witness report can be embarrassing. At worst, mistakes can completely destroy an expert witness's credibility. In this segment attendees will learn the ten point protocol for quality controlling their reports. Included will be a detailed quality control checklist which can be used by the expert or one of the expert's support staff. *Learning Objective: Identify protocols for editing and reviewing expert witness reports.* **Questions & Answers.**

3:15–3:25 PM EST BREAK

3:25–4:15 PM EST How to Defend Your Expert Witness Report at Deposition, Hearing & Trial

An expert witness is likely to be attacked through his report while testifying. In this segment attendees will participate in mock testimony demonstrations based upon their pre-submitted reports. Each demonstration will focus on: 1. How could the expert have better handled the attack/tactic that was being used by counsel? 2. How could the expert have avoided or lessened the attack had the expert drafted their report differently? Attendees will be provided with a fifteen point outline of how, specifically, attorneys will attack an expert through their report. *Learning Objective: Describe techniques for defeating opposing counsel's tactics while testifying about your report.* **Questions & Answers.**

4:15–5:00 PM EST The Biggest Report Writing Mistakes Expert Witnesses Make: And How to Avoid Them

To reinforce the concepts learned in this workshop, attendees will be provided with a list of the 32 biggest mistakes that expert witnesses commonly make on their reports. The list is designed to be used as a take home quality control checklist. *Learning Objective: Identify the biggest mistakes expert witnesses make in their reports.* **Questions & Answers.**

"Thanks Nadine it was a blast I love SEAK conferences because I learn a lot in a very short period of time."

"I was especially impressed that you so carefully prepared, reviewed reports, and organized a schedule that kept the days interesting."

"Having never written an EW report, I have enough information to now do so. Exceptionally impressive."

SEAK will provide each attendee with a certificate of attendance. **Appraisers:** Credits from The American Society of Appraisers will be applied for on written request at the time of registration. **Attorneys:** Credit varies by state. Continuing legal education credits for attorneys will be applied for if requested in writing at the time of registration. **Chiropractors:** Credits are unfortunately not available. **Engineers:** 17.5 PDHs. The acceptance of this course is dependent upon your state(s) of registration. The vast majority of states do not require preapproval of either courses or course sponsors. **Life Care Planners:** SEAK will apply for credits through The Commission on Health Care Certification (CHCC) upon written request at the time of registration. **Nurses:** Unfortunately contact hours are not available. **Physicians:** SEAK, Inc. is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. SEAK, Inc. designates this live activity for a maximum of *17.5 AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity. **Psychologists:** Unfortunately continuing education credits are not available for psychologists. **NOTE: SEAK does not accept commercial support for its programs and does not use faculty members with conflicts of interest.**

"It was truly fantastic! I am a little down that I don't get to keep listening and watching every night as I had been doing. I may watch the whole thing again!"

"Your course is EXCELLENT. Easy to follow with the workbook. Easy to access. No unnecessary fluff. I will recommend this course to every physician I know."

"I do a lot of online and in person [continuing education classes]. This course is at the top of my list of favorites: it was eye-opening, engaging and fascinating."

"Absolutely loved it. It was a guided tour into a new world...I appreciate Jim's stories and examples to humanize what can be expected. I wish I did this twenty years ago."

Course Content:

The Role of Expert Witnesses in Civil Litigation

The proper role of expert witnesses in civil litigation. Included is an explanation of Federal Rule of Evidence 702 and the types of specific assignments experts can expect from retaining counsel including forensic consulting, report writing, and where necessary, testifying at deposition or trial.

What Successful Expert Witnesses Have in Common

What the nation's "go to" experts have in common and how they got to their position of prominence.

Finding and Developing Your Niche in the Expert Witness Marketplace

The advantages of identifying a niche for yourself. Participants will be provided with a protocol for researching their niche, determining the proper fit, and developing their niche to its fullest potential. Faculty will provide feedback on your suggested niche.

Pulling Together a CV Appropriate for Expert Witness Work

Anyone considering an expert witness practice needs to prepare and maintain a CV. Participants will learn the importance of an accurate, up-to-date CV, what should and should not be on a CV, and how mistakes in preparing CVs can damage or destroy an expert's credibility. Two sample CVs are provided.

Bulletproofing Yourself — Your Qualifications, Marketing Activities, Website, Image & Reputation

How to avoid potentially devastating problems in an expert's qualifications, marketing activities, web site, image and reputation. Multiple examples are provided.

Bulletproofing Your Opinions, Passing the Daubert Tests, Your Methodology

An in-depth discussion of the legal requirements of *Daubert* and FRE 702 as they relate to how an expert forms and expresses his/her opinion(s) and the admissibility of the opinions. Numerous examples will be discussed. The lecture continues with practical advice on how to avoid being caught in a *Daubert* nightmare and how to use the *Daubert* criteria as a road map to bolster the persuasiveness of any opinion.

Bulletproofing Your Opinions — Research, Investigation, Chart Review and Examination

An expert's opinion will only be as strong as the facts, research and investigation upon which it is based. You will learn how to conduct an investigation, perform research, and collect data in a manner that bolsters your opinion.

Bulletproofing Your Opinions — Managing the Potentially Damaging Influence of Retaining Counsel

Expert witnesses often severely damage or destroy the persuasiveness of their opinions by allowing retaining counsel to influence (or appear to influence) their investigation, assumptions, and opinions. In this segment, participants will learn how to insulate their opinions from the appearance of being under the improper influence of retaining counsel, for example through the information the expert witness relies upon, the modification of draft and preliminary opinions, and through the communications between the expert witness and retaining counsel.

Bulletproofing Your Opinions — Rebuttals and Commenting on Other Experts

Commenting on another expert's opinions is an area that gets many experts into unnecessary difficulty. In this segment, experts will learn the right way and wrong way to comment on another expert's report.

"One of the most practical seminars that I've attended."

"Loaded with powerful information."

"Instantly executable information."

"A great learning experience presented with real world examples."
