### ABOUT SEAK, INC.

SEAK, Inc. is the expert witness training company. SEAK has trained thousands of expert witnesses through our seminars, conferences, on-site corporate training, and by working one-on-one with individual experts. Our training is hands-on and covers areas such as report writing, depositions, direct examination and ethics. SEAK is retained by individuals, consulting organizations, and law firms to train and prepare expert witnesses.

*For more information, please visit [www.TestifyingTraining.com](http://www.TestifyingTraining.com) or call (508)457-5150.*

Flagstaff, Arizona

(480) 202-4367

[rme.evans@gmail.com](mailto:rme.evans@gmail.com)

20+ Years in Practice

### Neurosurgery Physician Associate/Assistant Doctorate of Medical Science

I am a neurosurgery PA with my doctorate specializing in brain and spine surgery. I have practiced in Neurological Surgery at a level one trauma center for approximately 20 years. This clinical experience includes the operating room, outpatient clinic, emergency and hospital setting. I review cases in orthopedic spine and neurosurgery. I have published journal articles, drafted numerous protocols and manuals, and presented hundreds of lectures to physicians, PAs, nurses, and medical students. In addition, I am a professor and the director of neurological studies at AT Still medical college.

## INSURANCE EXPERT WITNESS

## FORENSIC PHYSIATRIST (P.M.&R.)

- Expertise with special interest in spinal cord injury, amputation, multiple trauma, and chronic pain
- Personal injury and medical malpractice
- Independent medical examinations
- Case consultation/Litigation support
- Evaluation of impairing/disabling conditions
- Causation and apportionment
- Extent, diagnosis, prognosis
- Treatment alternatives for impairing/disabling conditions
- Life care planning

Dr. Livingstone is a physical medicine and rehabilitation specialist (physiatrist) in Lake Havasu City, Arizona. He practices general physiatry (rehab. medicine) and electrodiagnosis (EMG). He is board certified by the American Board of Physical Medicine and Rehabilitation, having developed an interest in this field because of his personal experience after a motor vehicle accident resulted in spine and spinal cord injuries and L-2 paraplegia at the age of eighteen.

lynchmd@gmail.com

20+ Years in Practice

### **Pain Management**

Dr. Lynch is a double board-certified and fellowship-trained pain management physician and anesthesiologist, with 17 years experience treating all types of chronic pain conditions. Throughout his career, Dr. Lynch has been focused on providing comprehensive and evidenced-based treatment, with vigilant attention to the standard of care and best practices. He has managed pain practices in 16 different states and is currently licensed to practice in 8 states. Dr. Lynch continues to actively see patients in a clinical setting and performs interventional pain management procedures as well as independent medical exams (IMEs).

Dr. Lynch is also focused on research and the advancement of chronic pain treatment, publishing over 30 journal articles relevant to pain management, specifically regarding the use of interventional procedures and practice of comprehensive pain management with responsible opioid prescribing. He has taught extensively across the country to other physicians and federal agencies regarding the same topics, including teaching for the Drug Enforcement Agency regarding the appropriate prescribing of opioids.

Regarding his expert witness work, Dr. Lynch has been performing legal reviews and providing deposition testimony since 2010, with involvement in over 100 cases. His work includes providing testimony for both plaintiff and defense clients, in an array of complex pain management and anesthesia cases, including interventional procedure complications, procedure anesthesia complications, complex medical conditions including chronic regional pain syndrome, and inappropriate prescribing of opioids and other controlled substances. His opinions are highly sought after, given his extensive training, experience, and commitment to the field of pain management.

Dr. Lynch is known for providing accurate, knowledgeable, and detailed expert medical witness opinions. He can deliver articulate and clear testimony with an unwavering commitment to the standard of care and ethical values. For more information, please visit [www.expertwitnesspain.com](http://www.expertwitnesspain.com).

### **Legal Nurse Expert**

For the past 30 years, Janet Grace Attard dedicated her career to obstetrics and neonatal care. Jan's clinical role has encompassed caring for transitioning infants at delivery, serving as a Neonatal Resuscitation Instructor, and assuming responsibilities as a Postpartum, Resource, and Charge Nurse. Jan's extensive background includes significant experience in NICU and L&D settings, where she has demonstrated exceptional proficiency in ensuring the highest standards of care for both mothers and newborns. Jan is an Adjunct Professor of Nursing in L&D, NICU, and Post postpartum nursing.

**Office Email:** nbrautbar@brautbar.net  
**Website:** environmental-diseases.com

**Medical School:** Hebrew University - Hadassah Medical School, Jerusalem, Israel  
**Training:** UCLA Veterans Administration, Los Angeles, California  
**License:** California and Nevada  
**Practice:** 45 Years

**Specialty 1:** Internal Medicine  
**Specialty 2:** Nephrology  
**Specialty 3:** Toxicology

**Certification:** American Board of Internal Medicine;  
 American Board of Nephrology;  
 American Board of Forensic Medicine

**Academic Appointments:** Emeritus Professor at University of Southern California, Keck School of Medicine

**Specialty Focus:** Dr. Nachman Brautbar is a board-certified internist and nephrologist, with a specialization in toxicology. His list of past and present academic appointments include: Associate Professor of Pharmacology and Clinical Professor of Medicine at the University of Southern California, Keck School of Medicine. He specializes in the toxicological and internal medicine aspects of injury in the workplace and environment, pharmacotoxicology, product liability, personal injury and standard of care.

**Services Provided:** Review of records, material safety data sheets, assessment of levels of exposure and establishing elements required for causation. Medical and scientific literature regarding general causation. Differential diagnosis to establish causation. Expert consultation, opinion and testimony.

Dr. Brautbar has testified in Federal and State Courts and has been qualified as an expert in Internal Medicine, Occupational Medicine, Toxicology and Nephrology. Dr. Brautbar has consulted and testified on behalf of plaintiffs and defendants, and for independent medical evaluations.

Dr. Brautbar is a treating, consulting and evaluating physician. In his reports, causation analysis, TD, TTD disability ratings, vocational rehabilitation and apportionment are addressed.

**DIABLO ORTHOPEDIC CONSULTANTS, INC.**

**CEO**

Expert Orthopedic Surgeon with 17 years of legal consulting experience. Double Board-Certified Surgeon in active practice with legal consulting interest. Dr. Busfield gives an objective opinion in every case and does not favor defense or plaintiff. The goal is to provide an objective case review, avoid frivolous lawsuits and wasted resources, and convey an understanding of the strengths and weaknesses of each case.

You will be presented with objective views on both sides of your case and an extensive literature review. Complete medical records are necessary for an in-depth and accurate review, and Dr. Busfield insists on seeing all imaging personally for analysis.

- Board Certified in Orthopedic Surgery and Sports Medicine
- Fellow of the AAOS
- Immediate cell phone access to Dr. Busfield
- Rapid initial review and expert reports for any deadline
- Wide spectrum of practice interests allowing expert opinions on nearly all injuries and multiply injured patients
- Legal experience including product liability, malpractice, personal injury, and liens are negotiable
- Education
  - Sports Medicine Fellowship, Kerlan-Jobe Orthopaedic Clinic
  - Orthopedic Surgery Residency, University of California, San Francisco
  - Georgetown University School of Medicine- Summa Cum Laude
  - Georgetown University Graduate School- Graduated with Distinction
  - University of California, Davis- Graduated with High Honors
  - Numerous peer-reviewed published articles on sports medicine, ACL surgery, rotator cuff surgery, joint replacement, and chondrolysis

# Spine Surgery & Spine Medicine Expert

## Evidence-Based Medicine Practice

- 35+ Years of Clinical Spine Experience
- Independent Spine Evaluations (IMEs and IMRs)
- Spine Medical-Legal Reviews
- Spine Surgery Fellowship in Neurosurgery and Orthopaedic Surgery
- Spine Surgery and Spine Interventions
- 19+ years of spine medical-legal experience
- California, Texas, Nevada, Arizona, Florida, USA

### INDEPENDENT SPINE

*William Dillin, MD*

800-211-9877

[info@independentspine.com](mailto:info@independentspine.com)

[www.independentspine.com](http://www.independentspine.com)

The concepts of evidence-based medicine have been the cornerstone of Dr. Dillin's education during his spine surgery fellowship in Neurosurgery and Orthopaedic Surgery and the format for decision making in his subsequent practice. The critical analytic features inherent in the 'best evidence' approach to patients have permeated his writing and his lectures, allowing flexible adaptation as the science has changed. Since July 1985, Dr. Dillin has been exclusively devoted to **clinical spine**, **interventional spine** and **spine surgery** practice. The combination of clinical critical thinking in conjunction with evidence-based medicine practice, allows spine specialty focus on any **Independent Medical Evaluations** or **Medical-Legal Reviews**.

He is licensed in **California, Texas, Arizona, Florida and Nevada**. Dr. Dillin was a partner at the Kerlan-Jobe Orthopaedic Clinic for 35 years. He has career long interests in patient safety, surgical simulation, and medical decision-making.

## **Emergency Medical Services and Patient Transportation**

**Emergency Medical Services, Paramedic Standard of Care, Medical Consent, Ambulance Accidents, ET Tube, Patients Under Arrest, Patient Transportation, Wheelchair Securement, Wheelchair Van Transportation, NEMT, CPR/AED, Cardiac Arrest Management, Advanced Airway and Intubation, Positional Asphyxiation, Transportation of Patients in Custody, Emergency Medical Technician Standard of Care, Patient Sedation, Dropped Patient, Gurney Drop, Stretcher Drop**

Mr. Everlove is a licensed Paramedic/Firefighter and Fire Chief of Emergency Medical Services with national credentials and has been actively serving as a Paramedic for 30 years.

Mr. Everlove is the EMS Programs Director and Professor of EMS Education, including Paramedic, Emergency Medical Technician, and Emergency Medical Responder courses.

As an Expert Witness and Consultant, Mr. Everlove has participated in cases throughout the United States, including criminal and civil matters in federal and state jurisdictions. Mr. Everlove has offered opinions related to Emergency Medical Services standard of care, clinical management, treatment, patient transportation, patients in the custody and care of law enforcement and fire agencies, and medical/legal issues.

Mr. Everlove has directed and coordinated Emergency Medical Services in partnership with local, state, and federal agencies including the FBI, the United States Secret Service, the Department of Defense, and the White House Medical Unit. Mr. Everlove has been featured on multiple episodes of the "*Dr. Oz Show*" for his expertise in Emergency Medical Services and Pre-hospital Emergency Care.

As a Paramedic Supervisor and Clinical Manager for a large EMS organization, Mr. Everlove conducted numerous investigations related to all aspects of EMT and Paramedic prehospital care from onset to root cause analysis. Mr. Everlove has participated in the research, development and implementation of prehospital clinical care equipment, the design and implementation of EMS policy and procedure, as well as the initial and ongoing clinical education of EMTs and Paramedics.

**Over 30 Years of Clinical Experience**

## Jessie Stricchiola

Alchemist Media Inc.

San Francisco, CA

415-777-2524 ext.7

info@alchemistmedia.com

www.alchemistmedia.com/internetexpertwitness/

### Internet Expert Witness

Web Analytics, Search Engines, SEO, Search Engine Optimization, ChatGPT, AI, Algorithms, Mobile Apps, YouTube, Google Ads, Internet, Website Development, Google Analytics, Social Media, Facebook, Twitter, Instagram, Snapchat, Patent, IP, Prior Art, Copyright, Trademark, Content Moderation

#### 25 Years Experience

Ms. Stricchiola has been retained as a testifying or consulting expert in over 100 litigation matters in U.S. and Canadian courts, has testified at 18 depositions, testified at 7 trial and arbitration proceedings, and written over 70 expert reports and declarations on various internet-related topics pertaining to web analytics, traffic validity, online advertising, search engine optimization, social media content, digital discoverability, and related topic areas. Cases in which she has provided expert testimony have included class action, trademark, copyright, and trade secret matters, and her patent litigation testimony has included claims construction and validity, infringement, and indefiniteness analyses.

With twenty-five years of experience in web analytics, digital marketing, search engine optimization, and related internet technologies, she is a published O'Reilly author and co-author of *The Art of SEO* (© 2009, 2012, 2015, Q3 2023), a comprehensive reference guide to organic search engine optimization used in various U.S. and international university marketing and computer science degree programs including at Georgetown University, USC, UCLA, UCSD, UC Davis, the University of Wisconsin, Syracuse University, the University of Mumbai, the City University of Hong Kong, and others. She has consulted for the U.S. Government, Microsoft Corporation, Fair Isaac Corporation and other organizations, and has been a lecturer and moderator at 60+ search engine and digital marketing industry events since 2002 including Search Engine Strategies (SES), Search Marketing Expo (SMX), ad:tech, PubCon, Web 2.0 Summit, Shop.org, Stanford Publishing on the Web, and MarketLive Ecommerce Summit.

Throughout her career, Ms. Stricchiola has been an advocate for accountability, transparency, and explainability in the development and use of algorithms and artificial intelligence in emerging technologies, and for building responsible technology platforms. Her work on the issue of click fraud within the paid search (PPC) industry has been featured in numerous media outlets, including NPR, The New York Times, The Wall Street Journal, Wired.com, CNN Money, and in *The Google Story* (First Edition, David a. Vise).

## Integrated Construction Defect Solutions

Forensics, Testing, Engineering, Estimating, Quality Assurance / Standard of Care and Expert Witness Services Specializing in Codes and Standards

**California Consultants** handles projects of all sizes and complexities, specializing in all types of buildings. Clients often call us when other companies have not been able to support and solve the problem. Our firm provides a comprehensive, start-to-finish (turnkey) solution for both simple and complex construction defect matters, ensuring our clients are represented in the best possible light regardless of the circumstances.

**Barry Taheri**, the founder, and principal of California Consultants, is one of the most sought-after expert witnesses in building science, building enclosures, and general construction defect matters. Clients who have worked with Barry know the tremendous value he brings and the significant impact he has on case outcomes. Having him on their side means their interests are well-protected and ensures the best possible results for the client. Most law firms continue to work with California Consultants for multiple cases after their first experience.

Your case will benefit from Barry Taheri's extensive experience and knowledge, as well as the expertise of the California Consultants team. Our firm been instrumental in the success of over 80 litigation support projects, more than 100 new construction projects, and more than 200 forensic investigation projects. Barry holds active general contractor licenses in multiple states and has numerous system and manufacturer certifications. With over 25 years of experience and more than 5,000 forensic projects completed, he is also a designated industry expert for the California Contractors State License Bureau (CSLB).

 MEDICAL CONSULTANTS

## Edward J. Yun, M.D.

Irvine, California

Phone: 949-438-0801

Email: [eyun@urologicalsurgery.org](mailto:eyun@urologicalsurgery.org)

### Urology & Urological Surgery

**Specialty Focus:** Urologic Trauma, Urologic Injury, Urologic Complications, Laparoscopic Surgery, Minimally Invasive Surgery, Kidney Cancer, Prostate Cancer, Bladder Cancer, Testicular Cancer, Kidney Stones, Urinary Incontinence, Erectile Dysfunction, Impotence, Ureteral and Bladder Injury

**Education:** Medical School: Columbia University; Residency: University of California, San Francisco

**Years in Practice:** 24

Edward J. Yun, M.D. is board-certified by the American Board of Urology. He attended medical school at Columbia University in New York City and completed his urology specialty training at the University of California, San Francisco (UCSF). He has extensive surgical experience and has published his writings in numerous urologic journals and book chapters. In addition to maintaining an active clinical practice, he is also a clinical faculty member and regularly teaches urology residents and medical students. Dr. Yun has been retained in matters involving medical malpractice, personal injury, intellectual property, and product liability.

## Stephan Zweig, MD, FACS

Pacific Palisades, California

(310) 413-8531

[stephanzweig11@gmail.com](mailto:stephanzweig11@gmail.com)

### General Surgery

Forty years experience as active clinical general surgeon in private practice and with Kaiser Permanente. Retired partner physician with Kaiser Permanente and past Assistant Clinical Professor of Surgery, UCLA.

Board certified with American Board of Surgery, fellow of The American College of Surgeons. I have performed over fifteen thousand major general surgery cases, involving all aspects of general surgery.

My responsibilities have included active instruction of UCLA general surgery residents during my time at Kaiser Permanente and of Cedars-Sinai general surgery residents during my time in private practice. I will provide objective, non biased expert witness reports and testimony, supported by substantial medical evidence.

## PULMONARY, SLEEP AND INTERNAL MEDICINE

Asbestos, Silicosis, Cancer, Certified Grade B reader NIOSH, IME, Occupational Pulmonary Disease, Sleep Disorders

With a rich experience of 40 years, Dr. Newman is a triple board-certified physician in pulmonary, sleep disorders, and internal medicine. He holds the esteemed qualification of being one of the few NIOSH-certified grade B readers. His expertise has been sought after as an expert witness for both the defense and plaintiff in a wide range of medical areas, including pulmonary, critical care, sleep disorders, and internal medicine. He has played a pivotal role in shaping national standards of care, a testament to his influence and impact in the field. He has also served as an independent adjudicator in cases involving disability, quality of care, coding, and pharmacotherapy. His practice spans across many states: Alabama, Colorado, Georgia, Mississippi, Montana, New Jersey, New Mexico, New York, North Dakota, Tennessee, Texas, and Utah, and he is available for travel.

## Psychiatry Expert Witness

I am a Board-Certified psychiatrist treating conditions such as anxiety disorders, depressive disorders, attention deficit disorders, women's mental health issues, substance use disorders, psychosis, and dementia with behavioral disturbance. I have expertise in caring for those with complex medical and co-morbid psychiatric conditions, and I treat individuals across the life span. I am a clinical instructor at Yale, and a fellow of the American Psychiatric Association.

### Harvard and Yale Trained

**All services can be provided through telehealth**

**Panelist/speaker at American Medical Association**

**Experience in expert witness testimony and medical opinions in legal matters**

**Specialty Focus:** Depression, Anxiety, PTSD, Relationship Problems, Complicated medical illness, Substance abuse/addiction, ADHD, eating disorders, bipolar disorder, psychopharmacology, trauma, abuse, medication management, psychosis, dementias and other cognitive disorders, women's mental health, pregnancy/post-partum, suicide, wrongful death.

### **Education:**

University of Washington School of Medicine, MD  
Yale University, Internship and Residency in Psychiatry  
Harvard University, Fellowship in Psychosomatic Medicine

**10+ Years in Practice**

**I offer consultation to businesses and corporations, academic centers, and industry among others.**

### Geotechnical Engineering & Geology

Geotechnical, construction, engineering, engineer, geology, foundations, sinkholes, karst, piles, shoring, earthquake, liquefaction, subsidence, ground improvement, vibrations, slope, slide, earth retention, aggregate piers, stone columns, rigid inclusions, soil mixing, grouting

#### 20 Years in Practice

Dr. Garbin is a Board-Certified Expert in Geotechnical Engineering with 20 years of post-licensure experience. He has qualified in Court as an Expert, successfully defending against a Daubert challenge in 2021. His background as a contractor in NJ before becoming an engineer gives him a comprehensive understanding of the construction process.

First licensed as a Professional Engineer in Florida in 2003, Dr. Garbin now holds PE licenses in 39 states: AL, AR, AZ, CO, DE, FL, GA, IA, ID, IL, IN, KS, KY, LA, MD, MA, MI, MN, MS, MO, MT, ND, NE, NJ, NM, NY, NC, OH, OK, PA, SC, SD, TN, TX, UT, VA, WI, WV, and WY. His primary focus is on commercial and heavy-civil construction projects, though he occasionally undertakes residential cases.

Dr. Garbin is an ASCE-AGP Board Certified Expert in Geotechnical Engineering, a prestigious credential in the geoprofession. His expert status was upheld in a 2021 Daubert challenge in the United States District Court for the Eastern District of PA, where the court acknowledged the extensive nature of his qualifications.

## H. Michael Mogil, CCM, CBM

How The Weatherworks

Naples, Florida

Cell: 240-426-2900

Email: [forensics@weatherworks.com](mailto:forensics@weatherworks.com)

Website: [www.weatherworks.com/forensics/](http://www.weatherworks.com/forensics/)

### Meteorology Expert Witness

**Specialty Focus:** Forensic Meteorology, Weather Expert, Weather Event Reconstruction, Property Damage, Personal Injury (auto accidents, slip and falls), Insurance Claims, Roof Collapses, Hurricanes, Tornadoes, Severe Thunderstorms, Lightning, Snow, Hail, Wind, Rain, Wind-driven Water Intrusion

**Years in Practice:** 31

**Number of Times Deposed/Testified in Last 4 Yrs:** 35

H. Michael Mogil (CCM, CBM) is a seasoned meteorologist with nearly five decades of experience, three of which were within NOAA (NWS and NESDIS). This included severe thunderstorm and winter weather forecasting, warning, and preparedness. He has worked as a forensic meteorologist since the mid-1990's, handling a wide array of civil and criminal cases nationwide (for both plaintiffs and defendants). Mike has honed his skills in local and regional meteorological data analysis, locating and using numerous weather data sets (both governmental and non-governmental), and crafting easy-to-understand, scientifically accurate, expert reports. He has even offered weather demonstrations in the courtroom to help judges, juries and attorneys understand key weather concepts. He has handled cases from the western United States (California, Washington, and Arizona) to the U.S. Virgin Islands.

Mike is also well-versed in communication (both written and oral). He has earned the ranks of Able Toastmaster and AMS Board Certified Broadcast Meteorologist. He has a long history of teaching about the weather (community and law firm presentations, community college weather classes, and pre-college level weather camps). He has authored / co-authored seven books (including two about SEVERE WEATHER), edited a guidebook to satellite weather image interpretation, and has written some 1500 weather-based articles (300- to 700-word blog posts and longer, magazine length features). Mike conceived and has helped write/edit a series of articles about "The Weather & Climate of the States" (for Weatherwise Magazine) and has conceived, helped create, and written captions for a set of U.S. postage stamps about clouds (issued in 2004). Mike and his wife have created National Sky Awareness Week, a national celebration of the sky and an opportunity for people of all ages to look up, watch, and learn about sky and weather processes. The event is routinely featured in "Chase's Calendar of Annual Events" (last full week in April).

## Impairment & Causation Expert

Full time clinical practice since 1998. Over this time, I have treated over 25,000 trauma cases, 400,000 patient visits and 2,000 cases as an expert for second opinions or in court concerning impairment ratings, disability, causation, billing reviews, IMEs, malpractice, or independent evaluations.

I have advanced training and certification in the areas of brain injury, impairment, disability, injury causation and pain diagnosis. I have taught more than 50 seminars relating to causation, coding, mechanism of injury, patient care, MRI reading and injury diagnosis. Causation analysis is fundamental to any injury. Please call with any questions.

### **Safety / OSHA Expert**

With over 30 years of experience in the safety and health field, Stanford Brown is the founder and president of Raising the Standard Consulting, a vibrant safety & health consulting firm with certified, seasoned professionals and associate consultants servicing clients both in the USA and Canada. Stanford Brown has been involved with projects (both union and non-union) within a wide range of industries including construction, mining, healthcare, manufacturing, agriculture, transportation, solar, and pharmaceutical with activities including:

- Developing and delivering government approved certification training for safety representatives,
- Providing accident investigation and regulatory citation assistance,
- Providing on-site safety management (SSHO) on Federal, State, Provincial and private construction projects,
- Developing and implementing training programs, safety programs, assessments, and gap analysis,
- Anticipating, identifying, and evaluating hazardous conditions and practices,
- Developing, implementing, and administering hazard control designs, methods, procedures, and programs.

## Lighting and Electrical Engineering

### Wrongful Death, Accidents, Injuries, Electrocutation Electrical Power and Control – Fire Origin and Cause

- Street, Roadway, and Area Lighting; Including Photometric Requirements, Calculations, and Field Verifications
- Accidents and Injuries Involving Substandard Lighting
- Safety Circuitry Failure Resulting in Injury
- Electrical Power Distribution
- Personal & Industrial Accidents & Injuries
- Electrical Construction and Construction Defects
- Water, Wastewater, and Stormwater Treatment Facilities
- SCADA and Instrumentation & Control (I&C) Systems
- Lighting Equipment Failure and Accidents
- Adequacy of Illumination Levels
- Electrocutation and Electrical Shock
- Construction Contract Claims and Disputes
- Certified Fire & Explosion Investigator (CFEI)
- Serving both Plaintiff and Defense
- Services Available Nationwide

**40+ Years of Experience – Licensed Professional Engineer in 25 States – Former Licensed Electrician**

Member Illuminating Engineering Society (IES) – Street and Area Lighting Committee

Member National Association of Fire Investigators (NAFI) and National Fire Protection Association (NFPA)

**Years in Practice:** 36

**Number of Times Deposed/Testified in Last 4 Yrs:** 50

I am a board-certified family physician with thirty-six years of clinical experience in the care of patients in office, hospital, emergency room, and nursing home settings. My skills include serving for thirty years as the medical director while providing direct care to thousands of patients at four skilled care nursing facilities. For twenty-five years, I have provided medical support to plaintiff and defense attorneys. I am available to provide expert consultation should your firm need an experienced family physician to review a case, provide a certificate of merit, and provide testimony.

## **Ankur Dhawan, DO**

**EXPERIENCED EXPERT WITNESS****MAYO CLINIC TRAINED**

Dr. Tyson Cobb, a board-certified Orthopedic Surgeon is a pioneer and expert in the use of minimally invasive orthopedic surgery of the upper extremity including the hands, wrist, elbow and shoulder.

Dr. Cobb obtained his Orthopedic Surgery training at the Mayo Clinic and has had over 50 abstracts accepted for presentation at national and international meetings, published over a dozen book chapters and has had approximately 50 research papers accepted for publication in peer reviewed journals. He is a past president of the International Wrist Arthroscopy Society.

He is frequently invited to lecture at national and international meetings. He is an instructor of surgeons at courses and labs around the world in the use of arthroscopic and endoscopic orthopedic surgery techniques.

### Emergency Medicine

**Specialty Focus:** Emergency medicine, hospital administration, personal injury, nursing home negligence, myocardial infarction, stroke, trauma, fraud, medical management, sexual assault, wound care, sepsis, cardiac arrest, brain aneurysm, product liability, forensics, COVID, medical devices.

Dr. Kella is a board-certified emergency medicine physician who practices clinically in Washington D.C./ In his nineteen years of practice, he has worked in academic, trauma, rural and urban hospital settings.

Dr. Kella has held roles as emergency medicine physician, hospital administrator, medical director, and Chief Medical Officer for over 19 years. He has been retained in over 200 cases across 30 states. He is retained on matters involving medical negligence, standards of care, and complex administrative and corporate matters. He is an experienced expert in both civil and criminal matters.

#### Additional expertise in the following areas:

- Airway Emergencies
- Cardiac Arrest
- Cardiovascular Disease (myocardial infarction, aortic dissection)
- Drug Overdose/Opioids
- Policies and Procedures
- Pulmonary Embolism
- Cerebrovascular Disease (stroke, aneurysms, brain hemorrhage)
- Nursing Home and Assisted Living Care
- Medical Fraud and Abuse
- Sepsis
- Surgical Emergencies
- Automobile Injuries
- Mental Health
- Trauma
- Digital Health

**19 Years of Active Clinical Practice**  
**Experienced Medical Expert**

## HVAC Mechanical Engineering

### Forensic Investigation Expertise:

|  |                                |
|--|--------------------------------|
| Appliances   | Boilers/Furnaces               |
| Building energy modeling: Freeze damage  | Carbon-monoxide incidents      |
| Electrical/Controls  | Fire sprinkler systems         |
| HVACR  | Industrial/machinery accidents |
| Pipe failures  | Wind/flood                     |
| Indoor Air Quality (IAQ)   | HVAC Air Filtration            |
| Air Infiltration Evaluation  | Tracer Gas Testing             |
| Cannabis grow facility HVAC performance deficiency evaluation and litigation support |                                |

### Additional specialties include:

- 1) Solar glare evaluation for vehicle accident causation
- 2) Evaluation of solar glare to abutters caused by solar panels
- 3) Site/design, performance evaluation of thermal and photovoltaic solar panel systems
- 4) Low-E Glass concentrated reflective sunlight:
  - Solar fires
  - Melted vinyl siding
  - Blistered vehicle paint
  - Damage to roofing surfaces and other building components

**More than 30 years of forensic engineering investigative experience.**

Email: igurland@consultid.net

## Infectious Diseases Internal Medicine

### Specialty Areas:

COVID 19, HIV, AIDS, surgical infections, necrotizing fasciitis, prosthetic joint infection, diabetic foot infection, mold, bacteremia, endocarditis, urinary tract infection, prostatitis, cellulitis, wound, vaccine, Lyme disease, antibiotics, fungal infections, bacterial infections, travel medicine

### Education:

MD, University of Pittsburgh School of Medicine; Resident, Internal Medicine, The Mount Sinai Hospital, New York City; Fellowship, Infectious Diseases, The Mount Sinai Hospital, New York City

---

## 23 Years in Practice Active Clinical Practice

---

I am a board certified infectious diseases physician and internist in active clinical practice in central New Jersey for 23 years. I have had the privilege of being retained for independent medical evaluations in a variety of cases. The goals of these examinations have included evaluating the merits of a case for trial, evaluating insurer's liability, workman's compensation and medical malpractice.

Diagnoses involved in these matters have included COVID-19 infection, diabetic foot infection leading to limb loss, surgical site infections, necrotizing fasciitis, cellulitis, mold exposure and many others.

Deposed 15 times

## Orthopedic Surgery & Sports Medicine

**Specialty Focus:** Hip Replacement, Knee Replacement, Joint Replacement, Robotic Surgery, Adult Reconstruction, Partial Knee Replacement, MAKOplasty, Orthopedic Trauma Surgery, Knee Arthroscopy, Shoulder Arthroscopy, Anterior Cruciate Ligament Reconstruction, Rotator Cuff Repair

**Years in Practice:** 27

**Number of Times Deposed/Testified in Last 4 Yrs:** 20

**F.A.A.O.S.**

**Board Certified**

Dr. David Lent is a board certified orthopedic surgeon licensed in New York, New Jersey, Florida, and Connecticut specializing in Joint replacement surgery and sports medicine. He has been in clinical practice in Westchester and the Bronx for the past 25 years. He is now Chief of Orthopedic Surgery at St Johns Riverside Hospital and is head clinical director of the Westchester Orthopedic Center. Dr. Lent is a world leader in robotic hip and knee replacement surgery (MAKOplasty) and travels the country extensively lecturing and instructing surgeons in robotics. Dr. Lent has been featured in the Westchester Magazine as one of Westchester County's "Top Doctors" and has been list in Castle and Connolly for over a decade. Over the past five years, Dr. Lent has become a leader in expert testimony for both plaintiffs and defendants.

He specializes in case review prior to legal action as well as court and deposition testimony.

### **Orthopedic Surgery Sports Medicine**

I am a Board-Certified Orthopedic Surgeon with a thriving private practice in Westchester, New York. I specialize in Sports Medicine, as well as conditions and surgery of the shoulder, knee, hand, wrist, and elbow. I have been a Fellow of the American Academy of Orthopedic Surgeons since 2007 and named a Castle Connolly Best Doctor in the NY Metro Area every year since 2012.

Southern Westchester Orthopedics and Sports Medicine is one of the premier Orthopedic groups in Westchester County. We strive to provide world class Orthopedic care in the community setting. I have extensive experience reviewing Orthopedically relevant medical-legal cases involving both surgical and non-surgical treatments.

I graduated with an Honors degree from Dartmouth College, earned my medical degree from Columbia University, completed my residency at Lenox Hill in NYC, and my Hand and Upper Extremity Surgery Fellowship at NYU and the Hospital for Joint Diseases. I have also worked with the Orthopedic departments at Harvard University and the Memorial Sloan Kettering Cancer Center. I completed scientific research in the Genetics Lab at The Mount Sinai Medical Center in NYC, the Columbia University Department of Orthopedics, the NYU Animal Studies and Biomechanics Lab, and the Hospital for Special Surgery in NYC. I recently had the honor of being named the Chief of the Department of Orthopedic Surgery at the St. Joseph's Medical Center.

### Golf Course Management & Operations

Forensic golf course accident investigation, analysis, reports & testimony. Golf courses are my sole focus. Specializing in: golf cart accidents, slip, falls & serious injury, driving range accidents, errant golf balls & property claims, construction & project management, golf course risk management & assessment, golf course signage and employee safety

Over 40 years in the golf industry & over 35 years as a golf course superintendent. I have worked in nearly every facet of golf course operations at both public & private golf facilities. One of these positions was as a Dir. of Golf Operations, where my responsibilities included oversight of the golf operation to include both the golf play and g.c. maintenance. I have been an avid golfer for over 50 years and still carry a single digit handicap.

## Eckstine & Associates, Inc.

10817 Partridge Drive, Waynesboro, PA 17268

Tel: 717-762-1555 / Fax: 717-762-9055

Email: [Dennis@Eckstine.net](mailto:Dennis@Eckstine.net)

Eckstine & Associates, Inc. (E & A) provides litigation support, safety consulting, safety training, and engineering consulting services relating to **safe use and design of cranes, aerial work platforms, lifts and other construction, industrial, and agricultural equipment**. Our expertise regarding **lifting equipment** is unparalleled.

E & A Experts have between 8-30 years' experience in the product safety or engineering departments of major equipment manufacturers. Dennis Eckstine and Matthew Eckstine are our principle consultants and have over 50 combined years of experience with litigation.

### Examples of equipment experience include:

- Aerial work platforms
- Cranes
- Trucks and carriers
- Forklifts
- Front end loaders
- Hoists
- Wire rope
- Other construction equipment
- Other industrial equipment
- Other agricultural equipment

### Memberships of E & A personnel include:

- Committees of American National Standards Institute
- Committees of American Society of Mechanical Engineers
- American Society of Safety Engineers
- Society of Automotive Engineers
- Founding International Chairman of an ISO Technical Committee
- International Chairman of an ISO Technical Subcommittee
- Former Chairman of International Mobile Crane Technical Committee
- Commissioner for the National Commission for the Certification of Crane Operators

### Examples of expertise include:

- Construction Accidents
- Slips, Trips & Falls
- Industrial Accidents
- OSHA
- Personal Injury
- Products Liability
- Human Factors
- Warnings & Instructions
- Machinery and System Design
- Failure Analysis
- Product Design and Liability
- Access and egress
- Walking working surfaces
- Anchor points
- Fall protection
- Crushing avoidance
- Electrical contact avoidance
- Insulated links
- Proximity warning devices
- Rigging hardware
- Stability
- Anti-two-block devices
- Load Moment Indicators/Rated Capacity Indicators
- Load Indicating Devices
- Structural analysis
- Machine guarding
- Ergonomics & human factors
- Warnings
- Wire rope
- Controllers
- Pot hole protection

# Internal Medicine Hospitalist

**Specialty Focus:** Hospitalist, board certified internist with long experience in both primary care and hospital practice, good writer, willing to travel.

**Years in Practice:** over 30

**Number of Times Deposed/Testified in Last 4 Yrs:** 16

Dr. Fitzgibbons has been board certified in internal medicine since 1984 and has had extensive experience in both hospital and outpatient medicine. She has served as chief of hospital medicine in a major teaching hospital and is a regular contributor to journals and blogs for other hospitalists. Since 2008 she has been active in reviewing court cases, and has given opinions for both plaintiff and defense attorneys. Testified in more than 35 lawsuits for both plaintiff and defense, 5 of those in court.

**Richard V. Lyschik, DDS, FAGD, CFE, Ret. USAF****Dental Office Network****Plano, Texas****(214) 893-0410****Info@OfficeNetworkUSA.com****Dentist****Business Valuation**

40 plus years qualified as practicing dentist skilled in all dental procedures. Military dental service, dental school faculty, national guest speaker, business motivation & ethics coach. Certified Fraud Examiner for fraud detection, intervention, & prevention programs in healthcare settings.

Expertise in all forms of GP & specialty dental transition arrangements: solo & multi-Doc; private and corporate; urban and rural; leased, owned and shared real estate locations; new construction, remodel, and compliance renovation; associateship, merger, estate, divorce, and family practices.

Law firm compliment: “Your expert recall made such a profoundly positive impact on the arbiter, that it motivated the defendant’s attorney to oppose vehemently for you to appear to be deposed or testify on behalf of our client in person! Most impressive of all was the logic and clarity you provided to the discussion so as to highlight the defendant’s expert’s lack of experience and credentials.”

## Emergency Medicine

**Specialty Focus:** Telemedicine, Freestanding ER, PA and NP Supervision, Stroke/TPA, Sepsis/Infections, Pulmonary Embolism/DVT, Falls/Fracture Management, Airway Management, Myocardial Infarction, Emergency Trauma, Pediatric Emergency, Lacerations & Foreign Bodies, Billing and Charge Analysis

**Years in Practice:** 17

I am a board-certified emergency physician with over 17 years of experience. I currently work as a traveling physician between hospitals and free-standing emergency departments in Florida and Texas. I have a great breadth of experience. I was previously on faculty at the Baylor College of Medicine where I worked with, educated and LEARNED from students, residents and fellows at Baylor's Level 1 trauma center in downtown Houston. I've worked in community hospitals and supervised nurse practitioners (NPs) and Physician Assistants (PAs) in that setting. Additionally, I've also supervised NPs and PAs remotely as a consulting physician for Walgreens (within their previous in-pharmacy clinics). I also have experience in telemedicine. Finally, I've reviewed over 1,000 medical records for medical necessity and reasonableness of cost.

## Obstetrics & Gynecology, Reproductive Endocrinology

Obstetrics, Gynecology, Ob/Gyn, Reproductive Endocrinology, Laparoscopy, Hysteroscopy, Hysterectomy, Infertility, Hormones, Birth Injury, Surgery Complications, Medical Device Related Injury, Drug Related Injury, Environmental Reproductive Toxins

### Education:

BA, Harvard College;  
MD, Baylor College of Medicine;  
MPH, Yale University School of Public Health;  
JD, University of Houston Law Center

James M. Wheeler, MD, MPH, JD, magna cum laude from Harvard, is an OB/GYN trained at Baylor, with subspecialty training in Reproductive Endocrinology / Infertility at Yale. He is a graduate of the Robert Wood Johnson Clinical Scholars Program at Yale, focusing upon clinical epidemiology and health policy. Jim also earned an MPH in Biostatistics/Maternal-Child Health at Yale.

Dr. Wheeler is a former national officer of the American College of Obstetricians and Gynecologists (ACOG) & served on several of their health policy committees including the Health Care Commission and the Hysterectomy Committee. He has published over 40 peer-reviewed papers and has given over 200 invited lectures.

Dr. Wheeler has consulted in hundreds of medicolegal matters for over 30 years. He has been a testifying expert before the FDA for drugs and devices, U.S. Congressional staffers regarding health policy, and the U.S. Vaccine Injury Compensation Program (VICP).

Dr. Sheorn is a sole practitioner who specializes in the clinical diagnosis and long-term treatment of PTSD. She serves as an expert on cases where PTSD is a diagnosis in question. As the current Director of Psychodynamic Psychotherapy Training at the Medical College of Virginia and the recent Past-President of the Virginia Psychoanalytic Society, Dr. Sheorn has an exceptional skill in the use of the DSM-5-TR as well as an understanding of the dynamics and other diagnostic signals that can be necessary to confirm PTSD or rule in a more appropriate diagnosis.

## Certified Consulting Meteorologist

**Specialty Focus:** Insurance Claims, Slip and Falls, Hail Damage Assessment, Wind Damage Assessment, Doppler Radar Analysis, Truck Accidents, Vehicle Accidents, Weather Mitigation Plans, Ice, Snow, Rain, Lightning, Roof Collapses, Construction Accidents, Boating Accidents, Flooding

### 25+ Years of Experience

Mark McGinnis, CCM is the owner of Fair Skies Consulting, LLC and has worked on a wide variety of weather-related cases across the country. He is one of a very small group of meteorologists to have earned the **Certified Consulting Meteorologist** and the **Certified Broadcast Meteorologist** designations from the American Meteorological Society.

Mark has over twenty-five years of experience forecasting, analyzing, and communicating complex meteorological data including ice formation, hail size, wind speeds, visibility, rainfall, weight of snow, to the public in a calm and friendly manner. Mark began his career in television and transitioned to a fulltime consultant and expert witness in 2015.

# SEAK IS THE #1 RATED EXPERT WITNESS DIRECTORY

Over 2,400 experts are listed with us, and we are very proud to have 98% satisfaction rate.

## SEAK Expert Witness Directory membership includes:

- Your own personalized and **search engine optimized web page** on our highly trafficked expert witness directory website [www.SeakExperts.com](http://www.SeakExperts.com). Our site receives over **73,000 pageviews each month**.
- A detailed listing in our annual print Directory, which is sent to **tens of thousands of law firms nationwide**. This is the largest distribution of any expert witness directory.
- SEAK's unprecedented **100% Money Back Guarantee** for new members. Visit [www.seakexperts.com](http://www.seakexperts.com) for complete details or call (508) 457-5150.

### Here's what your colleagues are saying:

*"Your website has been so helpful for my business. I am busy beyond my expectations."*

*"I really haven't had to do anything other than keep my SEAK listing and I'm busier than I want to be."*

*"I'm receiving 2-3 referrals per month from the SEAK directory."*

*"Thank you for all your referrals."*

*"The attorney got my name out of the SEAK directory (second person to do so within a week!)."*

*"Thank YOU for all the work you have sent my way"*

*"I am quite busy with inquiries. 2 more attorneys just called me."*

**Questions?** Please email [Alex@seak.com](mailto:Alex@seak.com) or call (508) 457-5150

# SEAK

The Expert Witness Training Company

P.O. Box 729 | Falmouth, MA 02541

**Dr. Dalawari** is a General, Interventional, and Vascular Cardiologist with over ten years of experience in the industry.

## Contact

918-699-9525

[jsdmd@cardiomedlegal.com](mailto:jsdmd@cardiomedlegal.com)

He is board certified in multiple medical specialties including Interventional Cardiology, Cardiovascular Disease, Nuclear Cardiology, Vascular Medicine, Endovascular Medicine, Internal Medicine, and Emergency Medicine.

He is an Assistant Professor in the Division of Cardiovascular Medicine at the University of Kentucky; a Professor of Interventional Cardiology at The University of Pikeville; and a Clinical Adjunct Professor at the Lincoln Memorial University Debusk College of Osteopathic Medicine.

He is well versed in most contemporary interventional and endovascular procedures including IVUS, FFR/iFR; laser, Rotaablator, orbital atherectomy; Angiojet; coronary angioplasty and stenting; peripheral atherectomy, angioplasty and stenting; and venous interventions.

In addition, he is certified in Transthoracic and Transesophageal Echocardiograms and Nuclear Cardiology.

As a medical expert witness, Dr. Dalawari provides objective opinions and testimony based on his experience. He is able to determine whether the standard of care was met or breached and assess damages based on causation and presumed longevity.

As a cardiovascular medical expert, Dr. Dalawari provides Cardiovascular Independent Medical Examinations and Disability Evaluations.

### ***About SEAK, Inc.***

SEAK is the expert witness training and preparation company. Since its founding in 1980, SEAK has trained many thousands of experts through our highly regarded seminars, texts, and instructional videos. We have been retained by the FBI, Secret Service, IRS and NYPD to train their experts as well as numerous consulting firms and professional societies. SEAK has prepared experts in high stakes matters including medical malpractice, products liability, antitrust, patent litigation, homicide, will contests, and commercial litigation.
